We at TLH Technology Solutions understands what it feels like when your computer goes down.

Anxiety

Confusion

Stress

*Did I lose everything?!?!*

We would like to help! We can not guarantee that your computer will never crash, but what we can offer is the security of someone there to help fix your computer problem.

TLH is now offering an annual residential membership. For \$120 we can cover computer problems up for 12 months. For a whole year you can have the security of knowing when your computer crashes not everything is lost! Do you have more than one computer at home? For an additional \$25 (per computer) we can add them to your annual fee.

Includes:

- Remote support-unlimited for 12 full months!
- 30min or remote training
- Software & hardware installation (cost of parts or software not included)
- Virus and Spyware Removal
- Discount for College Students
- Visit [www.tlhsolutions.net](http://www.tlhsolutions.net) for a complete list

Certain restrictions apply-call for details!
